a - projected					
b - new computer monitor					
c - Created a community based plan for the development of the of the Baum-Centre Corridor					
d - Worked with Carnegie Mellon to create an online forum for publication and debate of City budget issues. Website received international recognition for involving the public in local government.					
e- Seed money for new public transit operation					
f - September 2003 - February 2005, stopped all reimbursements & cut personal salary during Act 47 Implementation					
g- Only received standard monthly plan and reimbursed the City for all charges above regular monthly rate. This includes a check for \$24.60 on 8/11/03, \$4.40 for 4/04-5/04 billing cycle, \$46.97 for the 5/04 - 6/04 billing cycle, \$2.00 for the 12/03 - 1/04 billing cycle, and \$2.50 for 2/04 -3/04 billing cycle. Additionally, It has been determined reimbursements were issued to the City twice for the 4/04-5/04 and 5/04-6/04 billing cycles, returning additional money to taxpayers. Since 2005 all City cell phones are under the CIS department per Act 47 recommendations.
