## **Request for Proposals: Legal Advisor for a Potential Infrastructure Monetization**

Addendum #2 – January 5, 2010

### **Question:**

Does the 20-page limit apply to the entire response that will be submitted, or only to the cover letter (i.e. would it be okay to submit a cover letter responding to the RFP that is under 20 pages, and attach materials such as full bio's and more detailed descriptions of our law firm that exceed the 20- page limit)?

Answer:

See Addendum #1, Question 1.

### **Question:**

Would you like us to provide up to 3 references for each of our key legal team members, or would you like a total of up to 3 references for our entire team of members?

Answer:

Three references in total should be sufficient, although more may be added if circumstances dictate and if there is sufficient space.
