

New Item Now Collected at Recycling Drop-Centers

Paperboard!!! City residents can now recycle paperboard including cereal boxes, milk cartons, juice and detergent boxes and more paperboard at all City recycling drop-off centers. Residents can mix paperboard with magazines and catalogs and place in the same bin at the drop-off center. Do NOT mix paperboard with corrugated cardboard. Paper board is smooth, not corrugated and goes through a different recycling process. For more information about corrugated cardboard and paperboard, please contact the recycling division at 412-255-2631.
